How to log in to the myULM portal

1. Click on the myULM link

2. Enter your username & password. Click Login

3. Once logged in, your name is displayed here.

4. Click the Campus Systems tab

*** If you are a new student, your password is your PIN (2-digit birth month and 2-digit birth year). You may change your password via the Campus Systems tab (see page 3).
On this page, there are several links to the campus systems. Clicking on each link will launch a new window or tab (depending on your browser). The following are brief introduction to the systems.

**IF YOU CHANGE** your password make sure you **REMEMBER** the **new password**.

The **new password** must contain a mixture of numbers & letters.

Click to launch window to access your ULM-issued email account
to log out.
Click to launch window to view your course(s) on Moodle

Click the name of the course (in blue) to access it.

Available to undergraduates only

Click to launch window to view course schedules & other registration information.

If this is your first time accessing ARROW, you will be prompted to change your PIN. Please note that this change is ONLY for ARROW.

Don’t FORGET! to log out from each campus system (email, Moodle, Arrow, and myULM).
